

BH Companies™ Finds the Right Deal at the Right Time for Investors

BH Companies™ is a multifamily owner and operator, specializing in conventional multifamily, build-to-rent, and student housing communities. It is comprised of four key company segments. BH Management Services™ drives service and performance; BH Equities™ leads with experience that guides transactions and deals; BH Construction™ can build value and long-term viability; and BH Architecture & Design™ uses its mastery to create vision and comfort. B.HOM Student Living is our student housing management business.

At BH, we've always dared to be different, and we think there's a smarter way to meet residents' expectations while providing fast, personalized, and rewarding customer service. From offering positive rent reporting to creating greener communities, we do what we can to build better communities for all.

- Delivers ROI for the entirety of assets with value-added renovations and operational improvements
