

Make Living Here Mean Living More with BH Management Services™

BH Management Services™ is in the business of creating thriving communities through our superior service, streamlined operations, and mind-blowing innovation. With more than 2,700 employees, we manage a portfolio comprised of over 100,000 apartment homes in more than 450 communities, and 1,000+ build-to-rent homes. With a centralized approach to specialized shared services, our application screening, resident account billing, renewals and back-office audits are being performed with greater efficiency and higher resident and employee satisfaction. BH is led by a diverse group as 55% of BH leaders are women and 45% are minorities.
